Amazon.com Review

In the history of English literature, Charles Dickens's A Christmas Carol, which has been continuously in print since it was first published in the winter of 1843, stands out as the quintessential Christmas story. What makes this charming edition of Dickens's immortal tale so special is the collection of 80 vivid illustrations by Everett Shinn (1876-1953). Shinn, a well-known artist in his time, was a popular illustrator of newspapers and magazines whose work displayed a remarkable affinity for the stories of Charles Dickens, evoking the bustling street life of the mid-1800s. Printed on heavy, cream-colored paper stock, the edges of the pages have been left rough, simulating the way in which the story might have appeared in Dickens's own time. Though countless editions of this classic have been published over the years, this one stands out as particularly beautiful, nostalgic, and evocative of the spirit of Christmas.

From Publishers Weekly

Starred Review. Dickens's classic holiday tale, like many cultural touchstones, often falls into the trap of perennial reinterpretation. First aired in 1990 but only now available on CD, NPR's presentation serves to place the familiar story back in its historical context. NPR News anchor Susan Stamberg's introduction, along with background information in the liner notes, offers valuable insights regarding both Dickens's gritty backdrop and his role in reviving Christmas traditions otherwise forgotten amid rapid urban industrialization. The script being performed is the same one Dickens used to use at readings. Comedy legend Winters, who serves as narrator while also performing all of the male roles, juggles his duties seamlessly and demonstrates remarkable dramatic range. His portrayal of Scrooge before the ghostly visitations evokes discernable pain and loss beyond the over-the-top antics of an ogre figure. Veteran actress Mimi Kennedy voices the female parts with gusto. With its quality production, attractive price and one-hour length, this release offers the perfect gift and establishes a festive new annual ritual for families to share. (Sept.)

From School Library Journal

Grade 4 Up-This recording of A Christmas Carol is a pleasant way to spend a few hours during the holiday season. Although abridged, it retains the spirit and language of Dickens' original manuscript. Anton Lesser gives a superb performance as the narrator and the voices of the characters, especially when portraying the Cratchit family, the Christmas Spirits and the London dialects. All characters are easily understood. Appropriate music begins and ends each cassette. This enjoyable retelling would be especially appropriate for family listening and a special treat for English literature classes.

A CHRISTMAS CAROL BY CHARLES DICKENS PDF

Merry Christmas, everyone!

“Bah!” said Scrooge. “Humbug!”

With those famous words unfolds a tale that renews the joy and caring that are Christmas. Whether we read it aloud with our family and friends or open the pages on a chill winter evening to savor the story in solitude, Charles Dickens' A Christmas Carol is a very special holiday experience.

It is the one book that every year will warm our hearts with favorite memories of Ebenezer Scrooge, Tiny Tim, Bob Cratchit, and the Ghosts of Christmas Past, Present, and Future—and will remind us with laughter and tears that the true Christmas spirit comes from giving with love.

With a heartwarming account of Dickens' first reading of the Carol, and a biographical sketch.

Possibly the best "Christmas Carol" ever

By CC-in-VA

Many versions of Dickens' classic "A Christmas Carol" are actually abridgements (done more or less smoothly) but this version is complete and unabridged. Even if you think you are familiar with the book you may find upon reading this one that you previously had read a shortened version! The completeness of this volume would be reason enough to add it to your library, but the quality of the pages, typeface, and above all the lovely illustrations scattered throughout further commend it. I have bought copies for all 3 of my grown children--because every family deserves to own a complete version of this classic story and this one is the best I have ever seen.

Read the book the way Dickens wrote it.....

By Susan K. Schoonover

I hope all readers take time to read A CHRISTMAS CAROL in the original language Dickens used in the 1840's. Dickens' language remains humorous, descriptive and insightful and not inaccessible to most modern readers especially with the use of a good glossary. This is a great read aloud for families at Christmas time and also a great introduction to Dickens and other Victorian writers. Don't settle for an abridged version. Read this masterpiece the way it was intended

Beautiful Volume

By Reviewer

I collect "A Christmas Carol" and this is a particularly lovely volume. The illustrations are wonderful and the overall quality, printing, binding and paper, is terrific. This is definitely in my top three favorites of all the different versions I own.
