Good Foundation

By C. B. Miller

I found this book to be packed with great information and recommend it to be added to any PHA library. It not only gives good basic knowledge, but also includes study and research paths which lead into further light and understanding of our craft in modern aspects.

"Black Square and Compass" also shows the correlation and significance of PHA in association with modern black history. For example accomplishments of the Buffalo Soldiers and the network of the Underground Railroad.

Great gift!

By D. Arden

I purchased this for a Masonic friend for his birthday and he really enjoyed it. Also good for anyone who wishes to learn more about the history of Prince Hall Masonry.

Good book

By george berry

Great book for information. Well written using plenty of documented sources. I would recommend this book to not only brothers of the craft but to anyone do to the historical information provided.
