Three Years! Thank you KK!

By Jasmine Dash

This is the third year I've read this book and according to my Facebook flashbacks it just so happens to be around this same time of the year, March to be exact.

I've seen Hod wreck me and dissolve my thoughts of my business into His business and Boss Women Pray has helped me have the courage and guidance to walk it out. The prayers have been in such alignment with everything He's been doing in me. So it's been a **RIGHT ON TIME WORD!**

I thank you Ms. Kachelle Kelly for answering God's call on your life and writing this 31 day praying guide for someone like me who at many times did not feel like she knew how to pray, especially for her business.

Thanks again,

-Jaz

Foundation of Success

By Melisha

Whether your spiritually grounded or not, this is the book for you. Kachelle created this book with those who want to 'achieve more in life' in mind. This book isn't best used for a month, this is a lifetime read. This is a must have book, hands down. This book helped me have my foundation in God and prayer. Can't wait for her next book.
