## From the Back Cover

The New York Times bestselling author of *Cane and Abe* and *Black Horizon* delivers a wild, suspenseful story inspired by actual events, in which a band of amateur thieves pulls off one of the biggest airport heists in history, with deadly consequences.

Every week, a hundred million dollars in cash arrive at Miami International Airport, shipped by German banks to the Federal Reserve. A select group of trusted workers moves the bags through customs and loads them into armored cars.

Ruban Betancourt has always played by the rules. But when the bank takes his house and his restaurant business goes bust, he is driven over the edge. He and his wife deserve more than what life has handed them, and he's come up with a scheme to get a little payback. Ruban, with the help of an airport insider, his cokehead brother-in-law, Jeffrey, and two ex-cons, surprise the guards transferring the money to the armored cars and speed off with \$7.4 million in the bed of a pickup truck.

Investigating the heist, FBI agent Andie Henning, newly transferred to Miami from Seattle, knows that the best way to catch the thieves is to follow the money. Jeffrey's drug addiction is as conspicuous as the Rolex watches he buys for dancers at the Gold Rush strip joint. And one of the ex-cons, Pinky Perez, makes no secret of his plan to own a swingers' club, which will give him carte blanche with his patrons' wives. Meanwhile, levelheaded Ruban is desperately trying to lie low and hold things together.

But Agent Henning isn't the only one on their trail, and in mob-meets-Miami fashion, these accidental thieves suddenly find themselves in way over their heads and sinking fast.

Cash Landing captures the exotic Latin Beat of Miami

By Dr. Ronald G. Clark

I have been a fan of Jim Grippando for many years. I've read most of his novels. I thoroughly enjoyed *Cash Landing*. It is set in Miami, Florida and is based upon one of the biggest cash heists in history. The protagonist, Ruban Betancourt and his wife Savannah are caught up in the American dream of working hard and earning considerable money with the aspirations of leading a life of luxury in a city inundated with expensive homes, cars, and yachts. Then they are caught up in trying to keep up with mortgage payments, then plunging into despair. The novel captures the Latin Beat of Miami. There are exciting twists and turns involving the bad guys, some evil, and the FBI. The book reads like a thrilling movie script. I can see Special FBI Agent Andie Henning becoming a star in subsequent novels. My wife read and loved the book and said that it should be made into a movie.

Disappointed

By Terry

I have loved all of the Jack Swytek novels so I was extremely disappointed to find that this book had no mention of him until the last couple of pages. It was long and drawn out and a real slog to read. Not my favorite John Grippando book.

Great author

By kindlegal

While not my favorite Grippando book, it was certainly entertaining. A change of pace to have most written from standpoint of the bad guys.
