Make use of the innovative modern technology that human establishes now to find the book **Dream God (S-Gods) (Volume 2) By J. Johanis** easily. Yet first, we will ask you, just how much do you enjoy to check out a book Dream God (S-Gods) (Volume 2) By J. Johanis Does it always up until finish? Wherefore does that book review? Well, if you actually like reading, aim to check out the Dream God (S-Gods) (Volume 2) By J. Johanis as one of your reading collection. If you only checked out the book based on need at the time and also unfinished, you need to attempt to such as reading Dream God (S-Gods) (Volume 2) By J. Johanis first.

Why should be *Dream God (S-Gods) (Volume 2) By J. Johanis* in this website? Get more revenues as what we have actually told you. You could find the various other alleviates besides the previous one. Relieve of getting the book Dream God (S-Gods) (Volume 2) By J. Johanis as just what you desire is also offered. Why? We offer you numerous type of guides that will certainly not make you feel weary. You could download them in the web link that we provide. By downloading and install Dream God (S-Gods) (Volume 2) By J. Johanis, you have actually taken properly to choose the simplicity one, compared to the problem one.

The Dream God (S-Gods) (Volume 2) By J. Johanis has the tendency to be terrific reading book that is understandable. This is why this book Dream God (S-Gods) (Volume 2) By J. Johanis becomes a favored book to review. Why don't you want become one of them? You can enjoy reviewing Dream God (S-Gods) (Volume 2) By J. Johanis while doing other activities. The presence of the soft data of this book Dream God (S-Gods) (Volume 2) By J. Johanis is sort of obtaining encounter easily. It consists of how you need to conserve the book Dream God (S-Gods) (Volume 2) By J. Johanis, not in shelves obviously. You could save it in your computer tool and device.

## **DREAM GOD (S-GODS) (VOLUME 2) BY J. JOHANIS PDF**

For the first time in three years, Aya is finally free, but with his freedom comes the pain of all he's lost. Seeing Akad and Marduk together makes him realize how badly he has messed up. By betraying Marduk, he ruined his chance with the one god he desires more than anything. Aya needs time to heal and put his world back together, but the trial against the Order looms over him. As the trial begins, Akad, Marduk, and Aya are ensnared in a web of jealousy, backstabbing, and cut-throat politics. Were they crazy to think they could stand up to the Order? If the gods of the Order can still rip their lives apart, their chances of receiving justice may be next to impossible. But if they fail to bring the Order down, Aya may never truly be free. Content Advisory: Graphic violence, abuse, & dub-con.

Dark, intense, sensual, and thought-provoking

By wifie29

I received a free copy via Inked Rainbow in exchange for an honest review.

Before I start, I need to say that readers really need to pay attention to the warnings on this. There are graphic scenes of sexual violence and dubious consent (not normally a phrase I like because I just call that "rape," but it's the best description in this case). The main plot is about a rape trial, and the usual victim-blaming tactics are used by the defense. It's clear those are harmful, but even so, it could be hard for some people to read due to triggers or to being highly sensitive.

That said, I loved this book. I was excited to read it, since I read the first one and thought it was fantastic. It is absolutely necessary to read the first one for context.

I'm a sucker for a story that's thoroughly researched, well-written, and has a lot of plot---particularly if it revolves around a social issue. This book did not disappoint, even though it's pretty hardcore erotica. That level of sex isn't usually my thing (nor do I typically choose books with non-consensual sex). But the characters are compelling, and the story draws you in.

As I mentioned, this is erotica, so there is a lot (and I do mean a LOT) of sex, with a wide range of emotional interaction in each scene. The three main characters---Akad, Marduk, and Aya---are all gods. They have

apparently never learned to communicate what they're actually thinking or feeling, so there are a number of misunderstandings before they get their happy-for-now ending (until the next book, of course).

Marduk was my favorite in the last book, and I still adore him. I think he largely represents the rational mind. He's steady and thoughtful, compared to Aya's sensitive heart and Akad's temper. He's had both of the other gods as lovers, and he balances them. I enjoyed seeing his character development since the last book.

I may possibly have been just a little in love with Aya. I wanted to protect him after everything he had to endure. Watching him suffer through the trial was intense and heartbreaking. He had disappointed me so much in the first book, but I was happy to see he'd grown as well.

Akad still feels like an unknown, aloof and with a simmering temper. He's protective of the ones he loves, and he will clearly go to any length for them. It will be interesting to see where his story arc goes. Of the three, I feel like I know him least.

The sex in these stories does not always fit into neat categories of relationship vs. rape. It is always clear in these novels where the lines are between consensual, romantic/erotic sex, consensual but emotionless/necessary sex, and non-consensual sex. However, these are gods, and they use sex in various ways to enhance and wield their power. What makes that interesting is how it's used during the trial to increase the atmosphere of victim-blaming which Aya and Marduk have to battle.

Be prepared to bring your thinking game to this book. It's not light and fluffy, and it's not pure escapism. It requires some thought and concentration to process the multiple angles and scenarios. It's extremely well done, and I'm looking forward to seeing where the story goes.

M/M angst and steam for the gods

By Emma Jaye

Just what I'd expect from this author, emotional angst, steamy scenes and occasional dubious consent in a M/M romantic tumultuous setting.

The story follows Aya, a rather feminine dream god who together with Marduk, are the victims and witnesses in a trial of three of the most powerful gods in creation who sexually abused them for a significant amount of time. I don't do spoilers but safe to say, the evil gods aren't overly keen on being convicted, and Aya is forced to seek protection from Marduk's new lover, the supreme god Akad. Problem is, Aya knows Marduk is the love of his life, but Marduk only has eyes for Akad.

Revelations and responsibilities, weakness and power, domination and submission all combine to make this a page turner, although if 'dark' doesn't float your boat, J. Johanis isn't the author for you, but if it does..

I loved the in-depth look at the characters

By Sanet N

It took me a while to read both installments of the S-Gods, and thought I found the world fascinating, Ms Johanis thoughts and understanding of Mythology and the Fantasy world around them gripping ... I felt Dream God lacked consistency as where Claimed by the Order felt drawn out to a point that I kept putting it to the side to get back too later.

I loved the in-depth look at the characters, how they functioned, felt... their emotional response and how something as simple as just a touch could affect the outcome of any set scene.

That said, humiliation is not a book kind for me, I felt it was over used in the plot and some scenes seemed

forced into a darker space.

I found the writing enjoyable, but repetitive, some words placed into text that did not fit or did not work with the feel of the piece at the time.

Personally I would recommend reading both installments back to back, the flow from one story line into the next worked best over the two books.

What I did find was that the story lends it self to natural breaks in the scenes and I appreciated that. One piece could be read, the story put down and than picked up later.

Due to the heavy erotic-non-con-rape content, I would suggest all readers enter this series with caution. Make sure you understand what your about to read and to that fact the following;

I know this has been said a million times and to me this is an important part of the genre you write in. BDSM tags should not be used in books depicting rape and hardcore non-con.

How readers connect bondage, domination and rape to BDSM I'm not sure. The world we live is not colored with rose glassed and one should see it as it is. This is Sub Genre - Torture Porn.
