Easy and reproducible -gets it out of the hands of "experts"!

By B\_Spain

The genius of the Praying Medic is his simplicity. This book does not disappoint. As a practitioner, I think most of the time things are over complicated for "job security" but I think everything in the Christian life should be easy and replicable. Praying Medic does not disappoint. You want hard and complicated read the plethora of our books on emotional/inner healing - you want Jesus - read this.

A New Prayer in my Arsenal! Especially If You've Found That Counseling Has NOT Helped You!

By Shari McGriff

I love to pray for people, and see results! So, I picked this up to help me pray for others, as well as myself. This little book has a very simple but effective prayer for those dealing with any type of trauma. Can it really be that easy? Yes, it can. You may have to pray this over several different areas of trauma or wounds that have happened to you, but is it easy? Yes, it is.

Pick it up for yourself and a friend. And when it has a print version, buy several of those and give them out as gifts.
