# **EVERYDAY AFRICA: 30 PHOTOGRAPHERS RE-PICTURING A CONTINENT FROM KEHRER VERLAG PDF**

Everyday Africa combats the clichés that depict Africa as a place of only poverty, disease, and war. Featuring the finest images from the acclaimed social media project, the book showcases photos of ordinary life that find beauty in stories rarely seen, shifting perception from the sensationalized extremes to a more textured, familiar reality.

Photographs run alongside sections of Instagram commentary inspired by the images. Shocking, funny, and heartfelt, the comments are lighthearted one moment, caustic the next, speaking volumes about widely held perceptions of Africa while underscoring the continent's increased connectivity in a globalized world.

**The Continent In All Her Brilliance**

By Port Bou

The book is a collection of photographs taken of Africa by African photographers (imagine that!) and avoids many of the tropes of exoticism and fetishism that too many European and American's fall into. *Everyday Africa* shows the continent in all her brilliance, and, while not shying away from poverty, also celebrates the beauty and diversity of the many lands, cultures and societies which make up all the countries of Africa.

Gorgeously printed in lush color, and carefully designed, the physical object of the book is a joy to hold as well. Everyday Africa is a refreshing and exciting book, and is currently being poured over by my children!

Five Stars

By Bernard

An amazingly honest portrait of the continent. Mind-opening read. Bravo.

Africa at it's best

By Elynor Soss

What a beautiful piece of artistry
