A new proposal for guitar learning

By O. J. Castro

The book is really very well organized, both for beginners as my grandson and experienced guitar players like myself. I bought two of them and I am enjoying the reading and practicing.

The gift that disappointed!

By Amazon Customer

The book was in great shape! BUT the DVD would not play! This was a gift for my dad, and he says that he loves the book, but the DVD was not finalized!

must have for guitar beginners

By snowypods

Excellent book easy to understand with a great format and plenty of pictures and tips. I have recommended it to friend's.
