## From the Publisher

The most commonly used rejection line spewed by studio executive honchos when they do not buy a script is, "I liked it, didn't love it." What happens to your screenplay or novel when it leaves your hands and is submitted to a studio or production company? What happens to it after it's optioned or sold? What does "in development" really mean? Rona Edwards and Monika Skerbelis will shed light on all those questions for both those who are new to the business, and those already journeying through the "storied" halls at a film studio, television network, or production company.

Edwards and Skerbelis will tackle how to find new ideas, what it takes to be a development executive or a story analyst, how to work with producers and writers, and tips for pitching. They present exercises created to assist the reader in developing their writing skills.

Monika Skerbelis and Rona Edwards have lived the life of a studio and development executive, having developed and sold screenplays for the past 15 years. They have taught feature film development classes at UCLA for the past six years.. Both authors live in Los Angeles.

## About the Author

RONA EDWARDS graduated California Institute of the Arts. A VP of Creative Affairs for Emmy-winner John Larroquette (*Night Court*), Academy-Award winner Michael Phillips (*Close Encounters Of The Third Kind*) and Emmy-winner Fern Field (*Monk*), Edwards produced *One Special Victory*, *The Companion*, *I Know What You Did*, *Out Of Sync* (VH1's *Movies that Rock*), *Blind Trust*, *Der Morder Meiner Mutter* (Sat.1) and documentaries, *Selling Sex in Heaven* and *Unforgettable*. For Warner Bros, she developed the feature *Matchmakers*. Recently, Edwards produced two movies for Lifetime based on Ellen Byerrum's books, *Killer Hair* and *Hostile Makeover*. A contributing writer to *The Los Feliz Ledger*, Produced By (the official magazine of the Producers Guild of America), her column, *Rona's Reel Take*, appeared in the *Newworld Review*. With Monika Skerbelis, she co-founded *ESE Film Workshops Online*, wrote the critically

acclaimed book, "I Liked It, Didn't Love It: Screenplay Development from the Inside Out" and "The Complete Filmmaker's Guide to Film Festivals." MONIKA SKERBELIS started her career as an assistant in the story department for Paramount Pictures, moved over to 20th Century-Fox as an assistant story editor, and later was promoted to story editor. At the same time, Universal Pictures offered her the opportunity to run their story department where she worked for ten years and was promoted from an executive story editor to vice president. She is co-founder of ESE Film Workshops Online, providing online film classes in "Maneuvering Film Festivals, "Creating A Production Company" and "Finding & Developing New Ideas." She was also the programming director for the Big Bear Lake International Film Festival and is currently the program director for the American Pavilion's Emerging Filmmaker Showcase at the Cannes Film Festival. Her second book, co-written with Rona Edwards, "The Complete Filmmaker's Guide to Film Festivals: Your All Access Pass to Launching Your Film on the Festival Circuit" is available on Amazon and at bookstores worldwide.

This is the 2nd Edition. PLEASE NOTE that a 3rd Edition is scheduled to be published and available on Amazon by May 30, 2016 and for academic and bookstore distribution channels by June 30th. "I liked it, didn't love it." It's the most often heard line in Hollywood. And you'll hear it when studio honchos pass on your screenplays or projects. Join Edwards & Skerbelis as they pull the covers back for an up close look inside the Hollywood system. What happens to a screenplay when it's submitted to a studio? Who are the studio players? What's the difference between an agent and a manager? What exactly does a creative development exec do? How does the writer and producer work within the studio development process? Are you ready for Hollywood? Get the answers from industry Pros, Rona Edwards & Monika Skerbelis. Through personal experiences and examples they'll teach you what it takes to make it in Hollywood as a development executive, producer, writer or director. Chapters also include exercises that will help readers find new ideas and develop them into cinematic stories as well as offer tips in pitching your projects. Edwards worked as a production company development executive and has been a producer for fifteen years while Skerbelis has worked as a studio development executive. Between them, they've developed and sold countless screenplays. They teach feature film development classes at UCLA and Screenwriting Fundamentals at Chapman University's Dodge College of Film & Media Arts. Co-founders of ESE Film Workshops Online, they offer film classes worldwide. Both live in Los Angeles.

The only book you'll need to really understand "the business."

By Christopher J Lynch

This book is, beyond a doubt, one of the most comprehensive and revealing books on the business of film that has ever been written. If you must "know thy enemy" in order to triumph, then you need to purchase, read, and re-read this book.

The bookshelves and internet are overflowing with "How-To's" instructing the aspiring writer on how to conceive, write, and perfect their screenplay, but not many tell you what will happen to it once it is submitted and considered. This book does just that.

Thank you to Ms. Edwards and Ms. Skerbelis for lifting the veil on a subject that has stayed so mysterious for far too long.

1 of 1 people found the following review helpful.

I recommend this book to all of my screenwriting students

By Gabrielle H.

I could be wrong, but I think this may be one of the only books that focuses on development. Well written.

The authors are extremely knowledgeable. I recommend this book to all of my screenwriting students.

Good behind-the-scenes look

By Lisa Rothstein

As a writer who has yet to sell a script, I've been told snippets of the information in this book by my agent and manager, but I never had the whole picture of what happens when my script leaves my hands. It was both sobering and comforting to get what sounds like a very accurate description. I also see now what I did--both right and wrong--the time a script of mine, a romantic comedy, went out and didn't sell but got me meetings. There is a useful diagram of the Hollywood food chain, descriptions of the different players and what makes each tick, and on a bonus creative note, a seemingly simplistic but ultimately quite useful template for finding and fleshing out new story ideas. I have a lot of books about screenwriting, but none explains the business as well as this one. It was also an entertaining read. Thanks Rona!

Lisa Rothstein
