Great song book for Broadway fans

By sensigk

I ordered this for my Mom, who is 86 and loves the old Broadway songs and hits by famous musical authors. She was thrilled with the book and was able to either play the songs on her piano (she has a Yamaha Clavinova) and sing along or just have the piano play the song from a memory stick and she can sing.

It was exactly what I was looking for and includes many famous standards.

You will love this book...and they are becoming very hard to get. So order order today if you want something like this.

Lovely to Look At

By Orlando

This collection of Kern's songs is very nicely produced in large format, perfect for use at the piano or music stand. It is nicely illustrated with photos and some of the songs are accompanied by anecdotes which are both

informative and entertaining.

One Of The Greatest

By Nick Conte

I'm an old time musician, who is still active in music, and appreciate the American Songbook. Jerome Kern is right up there with Irving Berlin, Richard Rodgers, Cole Porter, Johnny Mercer, etc. as one of the greatest songwriters this country has ever produced. This is a collection of his work that I'm most happy to own.
