Very interesting topics to read!

By Anonymous

I have purchased the 1st edition and just now got this second edition of this book. I must say it is very consistent! The topics covered in this book are unique and explained it in a layman language. Once again the author has done a great job in delivering the second part! Interesting read for whoever wants to learn further in Astrology.

Part 2 is fantastic and gives good understanding of the jyotishi

By Prashant

Part 2 is fantastic and gives good understanding of the jyotishi. It can convert non-believers if they are not converted by first book. Good details that is worth keeping in handy. This is also useful when you consult some Jyotish and they explain to you about future. This can help to translate the message better.

This is a fun and engaging book for all students of Vedic astrology

By Rajesh Parikh

This is a fun and engaging book for all students of Vedic astrology. The principles of Vedic wisdom and philosophy that underlie Vedic astrology are made easy to understand. I also love the illustrations and the beautiful art work. I am enjoying studying Vedic astrology with this well-written, wonderful book.
