Most all music, some missing!

By Kate Cromwell

This music highlights the old version of Kiss Me Kate before the Broadway revival! It is great for auditions for soprano voices. There are one or two songs for the alto voice. Very clear in marking who is the singer. I found this book to be full of great songs at a reasonably good value. The book is written in fairly large print so they are easy to read when singing.

A Little Dissapointing

By A Customer

I enjoyed the music featured in this book, however I did not feel that it highlighted the best music from an absolutley hilarios score.
