LEARN FRENCH WITH STORIES FOR BEGINNERS: 15 FRENCH STORIES FOR BEGINNERS WITH ENGLISH GLOSSARIES THROUGHOUT THE TEXT. (VOLUME 1) (FRENCH ED PDF)

A rewarding and effective method of learning French.

If you cannot easily visit a French speaking country and immerse yourself in the French language, reading is one of your best alternatives.

A painless and effective way to absorb the French Language.

Reading has long been proven to be one of the most effective ways of learning a foreign language. By studying in this way, you should be able to improve your French without the monotonous chore of memorising (memorizing) grammar. These eBooks cover a diverse range of grammatical structures (description, casual conversation, useful vocabulary).

No dictionary necessary

Each story is broken down - with French and English Glossary.

No painful back and forth process of continually searching for definitions or translation.

Recommended for beginner and intermediate level learners of French.

However, a basic understanding of French would be highly recommended to achieve maximum enjoyment and effectiveness. Perfect for anyone who wants to brush up their French language skills. Improve your listening.

Practice your pronunciation and your listening with the MP3! (4 hours/ read by a French Native Speaker).

Each story is recorded 2 different ways: • A slow version to help beginners to improve their pronunciation • A normal and natural speed for intermediate and advanced learners"

Audio needs to be downloaded via a link available at the end of the book.

Never forget the vocabulary again.

A vocabulary list recap appears at the end of each chapter. You can review your study and make sure that you don't forget any essential French words.

Progress in your writing too.

We encourage you to make your own summary to reinforce the learning process. A sample summary is provided for each story. Write and compare. (though it's totally optional)

Useful vocabulary for everyday situations:

15 stories about Family, Months, Days, Numbers, Weather, Introduce yourself, House, Nature, Clothing, Shopping, Visiting/Tourism, Weekend Activities, Daily Routine, Describe yourself, Food, Cooking, Jobs and Occupation, At the Train Station

Technical detail :

- 1500 words expressions in French translated in English.
- MP3 (4 hours in total)
- Story Length: 15 000 words (Equivalent of a 60 page book)

The concept is great and the stories are well-suited for beginner/intermediate students

By Amazon Customer

The concept is great and the stories are well-suited for beginner/intermediate students. I gave it 3 stars due to the production performance quality of the recordings, which is pretty poor. By far the most frustrating part is the English speaking in the audio. The French is often too quiet but the voice and inflection are fine. However, that only accentuates the already harsh, tinny English audio. I found several occurrences where the English translation was repeated for two different French words (one being incorrect), so I lost some confidence that words I didn't know were correctly translated (ie, bad quality control). Whenever the English speaker translates a verb such as "likes" and "to like" it is read like one word "likestolike" or "speakstospeak". Anyway, my general opinion is that the English part is read very mechanically, with poor recording quality and a harsh voice and I would swear that the reader doesn't understand what he is reading except that I can't detect any sign of an accent (maybe its a computer program? That just occurred to me but would explain a lot).

I find I skip through the vocabulary recap on the audio because it's painful to listen to the English part though I would like to get the info. Re-recording the translation would improve quality tremendously.

I would also rather see the full English written translation of the stories rather than "key" words and phrases. For example, in one story, "Oui" and "Excuse moi" are translated but "si il viendra" and "pour te dire si je viens au cours suivant" are not, so I tend to use the dictionary a lot when reading these.

Stories, Vocabulary, and Audio! Learn French the fun way!

By Trin

I love this book! Teaching French through stories is genius! It kept me interested and was easy and fun! I speak and read Portuguese and Spanish, but I had no previous experience with French. It taught me vocabulary, words, phrases, and introduced me to conversations in French – all within stories! Way more enjoyable than rote memorizing, plain vocab lists etc! The key vocabulary words are included near the stories for easy referral, so it was easy to follow along and understand the story line without knowing French beforehand.

I would also recommend downloading the audio that is available in the book. After reading I downloaded the audio and listened while following along. It has two speeds available- a slower one for beginners and practicing your pronunciation, and a faster one for listening at normal speeds. Now I know how to pronounce many French words and phrases, and I can continue to go back and practice. It also prepared me to be able to

understand people speaking French, along with the written French.

This book makes it possible to practice the vocabulary, listen to the French language, read and hear conversations, and understand stories written and spoken in French. I am definitely impressed with the quality of this book! I never thought it could be so easy and accessible to learn basic French conversations, and to understand French stories!

Also included in the book is a link to access additional free French learning packets and subscribe to a weekly newsletter including more vocabulary lists and audio for continued learning! I have found these resources to be helpful and expand my ability to speak French – a bonus I wasn't expecting when I ordered this book!
