MURPHY'S LAW BY RHYS BOWEN PDF

Murphy's Law is the captivating first entry of Rhys Bowen's New York Times best-selling Molly Murphy series.

Molly Murphy always knew she'd end up in trouble, just as her mother predicted. So, when she commits murder in self-defense, she flees her cherished Ireland, under cover of a false identity, for the anonymous shores of late 19th-century America. When she arrives in New York and sees the welcoming promise of freedom in the Statue of Liberty, Molly begins to breathe easier. But when a man is murdered on Ellis Island, a man Molly was seen arguing with, she becomes a prime suspect in the crime.

If she can't clear her name, Molly will be sent back to Ireland where the gallows await, so using her Irish charm and sharp wit, she escapes Ellis Island and sets out to find the wily killer on her own. Pounding the notorious streets of Hell's Kitchen and the Lower East Side, Molly undertakes a desperate mission to clear her name before her deadly past comes back to haunt her new future.

- Sales Rank: #3951 in Audible

I love Molly!

By tricia

Each and every Molly mystery is filled with historical information, which is fed ever so lightly and creates a realistic flavor. The characters are well developed, the stories well plotted and each a treasure in its own right. I read these 9 books in just 3 weeks. Once started, I couldn't stop! I am happy I read them in order, and you may want to consider this as well. Since many of them have been awarded mysteries top writing awards, I have created a list for you to read which book received which award, and placed them in order according to publication date in case you too would like to read them in order:

Murphy's Law (2001)

2001 Agatha Award for Best Novel

Finalist 2002 Mary Higgins Clark Award

Death of Riley (2002)

Finalist 2002 Agatha Award for Best Novel

For the Love of Mike (2003)

2004 Anthony Award for Best Historical Novel

Finalist 2004 Macavity Award for Best Novel

In Like Flynn (2005)

Finalist 2006 Macavity Award for Best Historical Novel

Oh Danny Boy (2006)

2007 Macavity Award for Best Historical Novel

Finalist 2007 Barry Award for Best Novel

In Dublin's Fair City (2007)

Tell Me, Pretty Maiden (2008)

Finalist 2009 Bruce Alexander Award

In a Gilded Cage (2009)

Finalist 2010 Bruce Alexander Award

The Last Illusion (2010)

I hope you will enjoy them as much as I did!!

Enjoyable Historical Debut

By Mark Baker - Carstairs Considers

Molly Murphy has just been given a get out of jail free card. Running because she's accidentally killed a man, she's offered the chance to take a woman's place on a boat bound for America. Once on board, she encounters a rude man and has a very public fight with him. When that man is murdered on Ellis Island, Molly finds herself and a new friend among the chief suspects. Frightened she might be sent back to face the hangman, she decides to find the real killer on her own. But can this new arrival find the killer in New York City when she doesn't know her way around and doesn't know anyone?

Molly is a head strong character who leaps first and considers the consequences later. It was fun watching her try to get herself out of several sticky situations. The setting, 1901 New York City, is brought to life, and I enjoyed learning a bit more about the time and place. My only real complaint is that the book took a while to get started. The plot starts slowly, but it picks up speed as it goes along.

As a fan of this author's Constable Evans books, I'm looking forward to reading more about Molly as well. There is potential here for another great series with another interesting setting. Write on, Ms. Bowen!

Fun mystery with Irish girl in Old New York

By Christina Lockstein

Murphy's Law by Rhys Bowen is the first book in the Molly Murphy mystery series. After accidentally killing a land owner, Molly Murphy must flee Ireland to avoid the gallows. She soon finds herself caught up with another family on their way to America, but once at Ellis Island, she's suspected of being involved with another murder, and the only way to clear her name is by finding the real killer. Bowen keeps things simple without extraneous detail, but her descriptions still shine, and Molly is a real character. There are no pretensions in Miss Murphy: she wants to live the good life, and she's not afraid to break a few rules to find it. I find Daniel Sullivan, the police detective in charge of the case, a little too good to be true, but future books will prove his worthiness for Molly. Molly is not a great detective, constantly putting herself in danger, leaping before looking, making all sorts of assumptions, but she's always entertaining.
