NATALIE WOOD (TURNER CLASSIC MOVIES): REFLECTIONS ON A LEGENDARY LIFE BY MANOAH BOWMAN PDF

As a child actor who smoothly transitioned to adult stardom, Natalie Wood made an unforgettable impact on the world with her sensitive performances and her spectacular beauty. In a span of less than twenty years, her talent graced a dozen classics, including *Miracle on 34th Street*, *The Searchers*, *Rebel Without a Cause*, *Splendor in the Grass*, *West Side Story*, and *Gypsy*, earning her three Oscar nominations and two Golden Globes. Few actresses in Hollywood history have carved out careers as diverse and rich as Natalie Wood's, and few have touched as many hearts in a tragically short lifetime.

Natalie Wood: Reflections on a Legendary Life boldly redefines Natalie not by her tragic death, but by her extraordinary life. This is the first family-authorized photographic study of Natalie Wood, and the first book to examine her glamorous film career as well as her private off-screen life as a wife and mother. Highlights include a special section on the making of *West Side Story*, a foreword by her husband Robert Wagner, a family album with never-before-seen snapshots captioned by daughter Courtney Wagner, an unpublished article written by Natalie in her own words, and an afterword by friend and costar Robert Redford. *Natalie Wood: Reflections on a Legendary Life* will change the way the world remembers a Hollywood legend.

Like a Dream for Natalie Wood Fans!!!

By Jennifer Day

This book is absolutely fantastic! It is a treasure trove of photos and remembrances and an amazing tribute to this great actress! From her early childhood and days as a child star, through her years as an ingenue and leading lady, to her life as wife and mother, this richly illustrated book touches on virtually every aspect of her life. Especially touching are the segments contributed by her family: a foreword by her husband Robert Wagner, a beautiful essay penned by daughter Natasha Gregson Wagner, and the personal photos and captions contributed by daughter Courtney Wagner. This is the wonderful tribute to Natalie Wood's life that diehard fans, such as myself, have been waiting for. Honestly, 5 stars are not enough to describe how marvelous this book is!!! Highly recommended!!!

A Must Have for Natalie Wood Fans!

By Amazon Customer

Breathtaking and essential for Natalie Wood fans. Section after section of never before seen photos and well researched text. My favorite period of Natalie's is her child star stage and there is a whopping 15 page essay just about those years including an incredible scrapbook with all kinds of goodies (report card, telegrams, personal photos, magazine covers etc.) In a life as full as hers the childhood years often get the shrift in other books so it was an extra special treat to read the essay 'Becoming Natalie' by Sloan DeForest. I learned an incredible amount about her early years in Hollywood and the road that led her to superstardom. Also of note is an interview section with photographer, Michael Childers who seems to give uncensored insight into Natalie. At one point he says "There weren't enough therapists in Beverly Hills to deal with all of her demons!" This definitely does not sound like the family whitewashed Natalie for this book. Natalie herself talks about her relationship with Warren Beatty. Her daughter Natasha talks about her mother's funeral. Her other daughter Courtney narrates a family album revealing a different side to Natalie I had not thought about before. She seems to have invested herself into mothering as much as she did her career. Robert Redford's contribution is a short piece detailing how he came to know Natalie in high school. All her major films are covered. I believe there is at least one photo for every single one. A difficult task as a lot of the childhood films are hard to find and rarely play on TV. ***** stars!!!

Most Beautiful Book Ever On Natalie Wood

By Tante Maren

For Natalie Wood Fans or just fans of the old Hollywood stars, you will love every page in this book. Manohar Bowman and Natasha Gregson Wagner have covered Natalie's life in the most breathtakingly beautiful photos I have ever seen of Natalie. I have quite a collection of Movie Books, but nothing like this TCM book. There are photos upon photos that I have never seen anywhere.

Even though this is a huge coffee table book full of gorgeous large photos, there is just enough reading material inside to answer some questions about Natalie's wonderful life. There is a Foreword by Robert Wagner and an Afterword by Robert Redford. From childhood photos, family photos, personal photos to photos from her childhood career to photos covering her many movies- every photo is a true gem.

Like so many of the newer books of recent years (like Sharon Tate, Audrey Hepburn, Elizabeth Taylor) covering the beautiful stars of the 50's and 60's Hollywood, you see that these breathtakingly beautiful stars were born this way. The baby Natasha takes your breath away with such a perfect face. I have a love of all 60's movies and seeing some photos from Penelope and Bob & Carol & Ted & Alice was a real joy. I personally have always thought that Natalie never looked more beautiful than in her 60's films and she is over 30 in these. If you only buy one book on Natalie- this is the one- every photo is a 5 STAR treasure!
