Highly recommended read.

By Jason

There have been lots of books on healings out there, but this one is unique in that it begins with you, your relationship with God and living a lifestyle of forgiveness. Not only can we be healed, but we can walk in health. I am somewhat skeptical when it comes to many areas, but I have been healed of most all of my allergies, including food allergies, not by praying against them directly, but by letting Jesus in me take away the hurts and pains of my past and letting forgiveness flow even to myself where it was needed. Highly recommended read.

A must read!! Don't miss out on what God has for you.

By Kathryn I. Garnett

This is a book that will change lives!! It reveals truth from the scripture and provides the "how to's" in such a simple way on releasing healing that even a child can practice this. The testimonies of healing are powerful and compelling. I am using this in my life for not only healing but more importantly for prevention of sickness and disease! Thank you, thank you for uncovering this fresh and inspiring understanding on Christ The Healer within...

Life Changing Book!

By Karen B.

This book explains the powerful connection between emotions and the physical body. It demonstrates the presence and love of God which brings healing to every facet of the spirit, soul, and body. We are not a product of our past, there is hope for healing, because we are a product of God. Throughout the book there are practical steps to help walk us through the process toward healing. This book will take you on a life changing adventure into your true identity and destiny! It has changed my life, this is a MUST read!!
