Review

"The scholarly wealth and care of this edition, the clarity of lay-out and secondary material are beyond praise. This represents the archival energy of American scholarship at its finest." George Steiner, *The Sunday Times*

"These letters are impeccably edited and presented...To anyone interested in the history of fiction writing or the emergence of modernism, they are indispensable." Tony Tanner, *The Times Higher Education Supplement*

"One of the advantages of this new collection -- besides that of providing accurate texts of unpublished correspondence and of the many letters that have long been available in unreliable editions -- is that it enables us to appreciate the extent to which some of Conrad's letters are themselves part of his achievement at a prose writer." Louis Menand, *The New York Times Book Review*

"The editorial format of this volume stands as a model for such publications. Not only does it display meticulous scholarship; it also anticipates many of the problems that commonly confront readers." Welford D. Taylor, *Richmond News Leader*
