"The Creative Curriculum® for Preschool is remarkably comprehensive, offering a valuable overview of the theories and research behind the Curriculum, and integrating new developments in the field? The Creative Curriculum for Preschool is indeed one of the most useful tools in our profession, offering 'the big picture' and a range of specific, practical strategies." - Margie Carter, early childhood college instructor, author, consultant

About the Author

Diane Trister Dodge, founder and president of Teaching Strategies, Inc., is the author of numerous books, articles, and training materials on early childhood education. She is the lead author on all of Teaching Strategies books, including the popular The Creative Curriculum®...series.

After earning a Master's degree from Bank Street College of Education, Diane earned 30 years of experience working with teachers and administrators first as a kindergarten teacher, and then as the education coordinator for a Head Start program in rural Mississippi. Her experiences in the field have taught her the value of curriculum and training materials that articulate a clear philosophy and practical approach to meaningful learning. Her belief that curriculum and assessment are intricately linked led to the development of The Creative Curriculum Developmental Continuum and The Creative Curriculum Developmental Assessment Toolkit for Ages 3-5. She has also written many books for parents including Building Your Baby's Brain, Reading Right from the Start, and A Parent's Guide to Early Childhood Education.

Diane is a renowned speaker and trainer, and a former member of the Governing Board of the National Association for the Education of Young Children (NAEYC). She currently serves on the Board of the Center for the Child Care Work Force and other local Washington, DC organizations.

Laura J. Colker is the author of numerous articles and books on early childhood education. At Teaching Strategies, she has co-authored The Creative Curriculum for Infants & Toddlers, The Creative Curriculum for Preschool and The Creative Curriculum Developmental Continuum Assessment Toolkit for Ages 3-5. She has designed curriculum, training materials, and videos for teachers and supervisory staff, and story books, videos, software, and videodiscs for children. Dr. Colker conducts training and teaches courses on

child development issues throughout the United States, Europe, and Asia.

Cate Heroman is the Senior Associate and Staff Development Specialist at Teaching Strategies, Inc, and has committed herself to the field of education for almost 30 years. She was a early childhood education teacher in the East Baton Rouge Parish School System in Louisiana. For nearly a decade, Cate served as an administrator at the Louisiana Department of Education, providing leadership, training, technical assistance and support in the areas of early childhood and elementary education. Cate has also co-authored several books, including *The Creative Curriculum for Preschool, 4th Edition*, *The Creative Curriculum Developmental Continuum Assessment Toolkit for Ages 3-5*, *Connecting Content, Teaching and Learning*, and *Building Your Baby's Brain*.

Great Book!

By Beckie Stacy

THis is one of the best books for helping a teacher to set up a classroom. It has lists of things to place in areas of your room. It has a great lay out of interest areas. I love the way it reads like a text book, it helps to be straight forward! I really love the fact that it leans more towards a play based center. Great tools also. Such as daily lesson plans and weekly planning forms.

If you are just starting out as an Early Childhood teacher or looking for some AMAZING ideas for changing your classroom this is the book you want! It will break down each area in easy to understand and follow chapters. It has helped me with room arrangement ideas! I was reminded of things I used to have but phased out and really needed to bring back, open art area, home like feel to the room and lots of added toys to each area.

Good Book to learn from

By Lisa Camarena

This is a good book, but it would have been nice to receive a hardback book like I ordered. This was the second time ordering a HARDBACK book and getting a paperback copy. Very upsetting. I have sent it back twice now.

Best buy for my money!

By rochelle

I am very pleased with my purchases of books for early learning. The classes I was enrolled in were expensive enough, I saved a lot of \$ by ordering amazon. They said like new, They all looked NEW to me. very, very pleased and this is the only way I would ever purchase a book again. I would highly recommend it.
