Sir Jules Durand is a tutor with a reputation for whipping young men into shape, but now he has taken on the challenge of a lifetime: to tame and polish the young, indulgent Prince Lucien into a man. I LOVED this story

By OSG

I LOVED this story! Everything about it just worked in this tale of love and adventure! The two leads are written with such detail...the chemistry between them is quite HOT and that's important because if the leading characters aren't strong in their attraction to each other, the sex scenes just fizzle. Not so with this story! A definite winner! :)

By Alice Shpik

This is a very fun story. Rin's great at knowing what her readers want. Like much of her writing the focus is more on the characters' relationships than a complex plot. Which isn't a bad thing at all, especially when the characters are so cute!

Look here for Dynamic Angst! Great Story!

By Carrier_Violet

I just loved the ending of this story! Throughout the whole story the characters evolve and become real. It starts off a little fast but it flows well into the rest of the story. Loved Durand, or sorry Sir Durand, and Prince Lucien's dialogue and antics. All around awesome story.
