The Feathered Bone By Julie Cantrell. Reviewing makes you a lot better. Which says? Lots of wise words claim that by reading, your life will certainly be a lot better. Do you believe it? Yeah, confirm it. If you need the book *The Feathered Bone* By Julie Cantrell to check out to verify the wise words, you could visit this page perfectly. This is the site that will certainly provide all guides that most likely you require. Are the book's compilations that will make you really feel interested to review? Among them here is the *The Feathered Bone* By Julie Cantrell that we will certainly recommend.

Review

“Inspired by the real-life kidnapping of Elizabeth Smart, the author of the Christy Award–winning *Into the Free* and Carol Award winner *When Mountains Move* has written an excruciatingly dark and disturbing novel about the devastating impact of sex trafficking on two families. Although Cantrell inserts a grain of hope in the novel, her portrait of loss and heartbreak will leave readers reeling. This latest work is bound to be nominated for all the major CF literary awards.” Starred review (Library Journal)

“Deeply emotional, moving and full of amazing imagery, Cantrell's latest is a triumph. This is a book to be savored and pondered.” (RT Book Reviews)

About the Author

Julie Cantrell is the New York Times and USA Today bestselling author of *Into the Free*, the 2013 Christy Award winning Book of the Year and recipient of the Mississippi Library Association's Fiction Award. Cantrell has served as editor-in-chief of the *Southern Literary Review* and is a recipient of the Mississippi Arts Commission Literary Fellowship. THE FEATHERED BONE BY JULIE CANTRELL PDF

“Feathers—no matter what size or shape or color—are all the same, if you think about them. They’re soft. Delicate. But the secret thing about feathers is . . . they are very strong.”

In the pre-Katrina glow of New Orleans, Amanda Salassi is anxious about chaperoning her daughter’s sixth-grade field trip to the Big Easy during Halloween. And then her worst fears come true. Her daughter’s best friend, Sarah, disappears amid the magic and revelry—gone, without a trace.

Unable to cope with her guilt, Amanda’s daughter sinks into depression. And Amanda’s husband turns destructive as he watches his family succumb to grief. Before long, Amanda’s whole world has collapsed.

Amanda knows she has to save herself before it’s too late. As she continues to search for Sarah, she embarks on a personal journey, seeking hope and purpose in the wake of so much tragedy and loss.

Set amidst the murky parishes of rural Louisiana and told through the eyes of two women who confront the darkest corners of humanity with quiet and unbreakable faith, *The Feathered Bone* is Julie Cantrell’s master portrait of love in a fallen world.

Fantastic Read

By Youthpastor

Honestly, I chose “*The Feathered Bone*” because it was one of the choices that was still offered as a “real life, hold in my hand, tangible” book. After reading through the first few pages, I wondered if I would like this story because I felt that the author’s descriptions of the surroundings and goings-on bogged down the tale. But, I muscled through. And I am glad I did.

“*The Feathered Bone*” addresses a few of the tragic issues facing our Country today. One of those is the atrocity of human trafficking. The author weaves together a story that prompts the reader to sit on the edge of his seat. But, it’s not a story for the faint of heart.

The horror of human trafficking coupled with an unexpected tragedy, brought tears to my eyes. In fact, at one point I laid the book aside to pick up a few groceries at the store. As I pushed the cart up and down the aisles, I hoped the scene I left was only a horrific nightmare. Yes, the author did that good of story telling to draw me in.

I look forward to reading other books by Julie Cantrell.

... this entire novel in two sittings - it's a beautiful tribute to love

By Reviewer Girl

Read this entire novel in two sittings - it's a beautiful tribute to love, loss, and faith. Cantrell is indeed on her best game with this new novel. The descriptions of New Orleans are lovely and spot-on, as well! Highly recommend.

5 of 5 people found the following review helpful.

New Orleans has us in her grip!

By Joyce M. Glorso

The Feathered Bone Holds you right from page one. Love New Orleans and Julie captures the drama, mystery and flavor of New Orleans. The drama builds and becomes more intense with each page. Easy to read and follow, not convoluted with too many characters or places. VERY spell binding as is New Orleans. Characters you can relate to, places you can 'see', and a story you wont forget. Love you Julie!
