Perfect for your Paw Patrol fan

By Caleb

My daughter is a major Paw Patrol fan and she loves this book. It's large and we'll made. The story is basically the same as the Christmas episode. Highly recommend!!

Great book but.....

By Gina

I really wanted to give this book 5 stars because it's a very nice book. Large, colorful and my kids are gonna love it. But the book I received was assembled wrong and it's very irritating. You open the book and its the end of the story, upside down. I attached a picture to show. I know this might not be that big of a deal but when you purchase something, you expect it to be put together correctly! Also, my oldest son is on the spectrum and I have a feeling this little mistake is going to be hard for him to let go. It's not really worth it to me to return it. I will keep it and read it because like I said, it's a wonderful book, just a little disappointed in the production mistake. Hopefully, mine was the only one.

Perfect holiday story addition for our Paw Patrol fan!

By StubbornBrunette

I preordered this for my little Paw Patrol fan and she loves it! It is a nice big size and the complete story from

that Christmas episode is in there. With the regular smaller Golden Books they have to cut out a bunch of the story but these larger ones are great! They have large illustrations and they are longer so they can go into detail more. I am really glad that they started releasing more of these larger format books. Please keep it up!
