\*Sigh\* from my childhood...

By Rebecca

I was looking for the big red hardback edition because I remembered it from elementary school when I'd check it out ALL THE TIME from the school library. And I stumbled on it today at a used bookstore in the SPings. I was so excited! This is a fun, fun, fun book with all its pictures and stories galore! The absolute best, nostalgic fairy tale book and I am so excited to have it in my collection! Its just like I remembered! I love these stories, Bluebeard STILL freaks me out! Love, LOVE this book, if you only get ONE fairy tale book for you, your kid, or someone else, get this one!!!!

Best Collection of Fairy Tales

By A Customer

This large book has accompanied me through my childhood and to this day, I still read it. It's filled with the best fairy tales. The best part is that they're all still fun to read again and again. Fairy tales aren't limited to little kids, and this collection proves it. They're not all Disney either, some are downright gruesome! (The Brothers Grimm at their best!) There's so much to say about this collection of tales, yet I can't find the right words. Let me tell you that reading this as a child or an adult is a truly magical experience and I'll leave it at that.

Can't believe I found this book

By Dina Olsen

I had this book when I was a child over 30 years ago. Unfortunately, I disposed of it and wished I had a copy when my son was born. I was so happy to have found someone still selling copies. It was shipped in brand new condition. Great seller.
