It will certainly not make you really feel weary. Besides, through this will additionally enhance your life high quality.

TIME OF THE TWINS: THE STORY OF LEX AND LIVIA BY KENDALL JENNER, KYLIE JENNER, ELIZABETH KILLMOND-ROMAN, KATHERINE KILLMOND PDF

Two sisters, one destiny . . .

Lex and Livia are on the run.

In *Time of the Twins*, Lex, an impulsive military cadet, and Livia, a pampered Ainess, have just found out they are twins, which is against the law in the great City of Indra. Now they are leaving behind the only world they have ever known: for Lex, it was the dark world of the Hub below the surface of Indra, where she survived the brutal Orphanage to become an elite member of Indra's Population Control Forces, and for Livia, it was a life of luxury on the sky island of Helix, where she was brought up to be a Proper Indrithian Young Woman.

With help from the charming and handsome Kane, Lex's best friend and Livia's newfound love, and Zavier, a gruff rebel who would prefer to leave them all behind, they make the grueling trek through the dangerous underground tunnels toward the Outlands beyond the dome of Indra in search of the mother they thought was dead. When they finally reach the Outlanders' colony, they discover their mother holds the key to unlocking their past, and they must confront an ancient prophecy, "The Time of the Twins." The prophecy claims they are the long-awaited "twin saviors," destined to save the City of Indra from the oppressive High Council who have long reigned over all of its people.

Will Lex and Livia agree to be a part of their mother's dangerous plan and take on the daunting role of the "twin saviors"? Will they trust their mother and put themselves in jeopardy to save countless lives? It's a responsibility they never asked for . . . but one that may prove impossible to ignore.

With unforgettable characters, an action-packed pace, and the sparks of new romance, the Jenner sisters have created a page-turning, heart-stopping adventure that will leave you wanting more.
