i am studying russian

By R. Holloway

but, i do not YET speak russian, ..

i lived in moscow & studied at the pushkin institute,

i have bought a lot of russian volumes, to help me in my studies, ... some good, some not so good,

this looks to be one of the good ones, .. the format is sequentially set up, ... each building upon what has gone before, AND, importantly, there are stress marks to help in pronunciation, ... with russian, this is extremely important.

at the moment, this volume holds an honored position on my bookshelf, i anticipate many referrals to this volume, in the years to come, ..
