Great reference and learner's book for anyone in the water industry

By Pete S.

Very handy reference book, and great for new operators, engineers, or others in the field.

0 of 0 people found the following review helpful.

Great book if you are studying for a state exam ...

By 808Amazon Customer

Great book if you are studying for a state exam or need a quick review. Condenses a lot of info into an easy to read format.

1 of 1 people found the following review helpful.

Four Stars

By Shane Gederberg

Great book for state exam prep.
